Even though Koros is close to my grade, the day trip made me very tired. I spent almost two days sleeping after that. There's a Koros and on the hill, and my legs and the back of my feet hurt. Well, the taxi driver was about 50 to 60 years old, but he was climbing up the stairs very easily. Anyway, I will have my deadline even when The Oni McGordon, and I didn't have time to give a real illustration for the comic cover.

SORRY,
HIKARU-
CHAN...

A LONG HOUSE...
